

'Tis the Season . . . to Read!

Homeschool Reading Program 2018-2019

Rules:

1. This program is available to all Homeschool Children. Young children may be read to by an older person.
2. Please read books at your reading level.
3. This year we are following a “20 Minutes to a Better Reader” plan. How does this work? We ask that participants complete our reading chart. For every 20 minutes you read, you can color in a picture on your chart. Once you have filled out your chart, bring it in and your name will be put into a drawing to win a \$20 gift card for Book-A-Million. You can complete as many charts as you wish and turn them in to be entered into the drawing multiple times. There are no limits to how many charts you can fill out.
4. There will be a new drawing each season. We will draw a winner in the Fall, Winter, and Spring. So keep reading!
5. Reading Reviews: Each season we will have a new bulletin board to be filled with book reviews. For example, our fall bulletin board’s theme is “Fall into a Good Book.” How does this work? Read a good book, fill out one of our “leaves” and earn a prize from our prize box. We hope to fill up our bulletin board so there is no limit on how many reviews you can do.
6. Have fun reading this year!
