

Treat Yourself to a Good Book!

Homeschool Reading Program 2017-2018

We have a fun and new way to earn prizes for reading this year! Located throughout the kids, juvenile, and young adult fiction sections of the library you will find books with a book review form inside. Choose one of these books, read it, and returned it with a completed review form. You can then choose a prize from our treasure box. Your reviews will be displayed on our bulletin board for others to use as a guide to choosing books so please be accurate and truthful in your review.

Rules:

1. You must read at grade level for your books to count. *
2. You can read as many books as you choose in order to earn prizes, however, you can only turn in one book review form upon each visit to the library as only one prize will be awarded per visit.
3. The top reader in each grade category will be awarded a prize in May. So read as many books as you can!!!

Treasure box prizes will be determined as follows:

- *Grades Pre-K through 2 must read 5 books at reading level to earn a prize.
- *Grades 3 through 5 must read 3 books at reading level to earn a prize.
- *Grades 6 through 12 must read 2 books at reading level to earn a prize.

*Every child reads at a different level. For this reason we are willing to take into consideration a child's reading level when evaluating the number of books read to earn treasure box prizes. We will make every effort to adjust the prize category to fit your child's reading level if it does not fit into the grade category.
